BECOME A BRISTOL BEACON MUSICAL SCHOOL

We know that music is a powerful tool when placed at the heart of schools – that's true now more than ever.

We believe that engagement with music is the key to wellbeing, personal and academic achievement and fostering a positive relationship with the world.

Being a Bristol Beacon Musical School means you will have the resources and tools you need to bring music to life in your school.

Whether you are already a musical school or just starting out on the journey, the Bristol Beacon Musical Schools membership aims to support all schools in the city to achieve musical excellence. Our award-winning programme supports schools through a range of high-quality curriculum resources, enrichment activities and teacher training opportunities. We work closely with the Department for Education, Ofsted, Arts Council England and industry organisations across the music education sector to make sure we are at the cutting edge of best practice in musical teaching and learning. Our experienced and knowledgeable team are here to support music in your school.

BECOME A BRISTOL BEACON MUSICAL SCHOOL

The Programme

School Music Education Plan (SMEP)

No school improvement plan is complete without a 'School Music Education Plan' (SMEP). Developed with Ofsted and the Department for Education, every school should have an up-to-date plan and we can support you to create this for your school. This bespoke strategic document, addressing all areas of music at your school is developed through 1-2-1 meetings to support and document your school's musical strategy. A music staff meeting or whole staff INSET training is also available to relevant memberships.

Bristol Music Curriculum

Bring music to life in your school through our award-winning Bristol Music Curriculum. These plans are developed by outstanding music teachers across Bristol, for Bristol schools. This enables you to develop your own 'cultural capital' in line with the National Curriculum. Included in the Curriculum are fully planned lessons, resources and pointers to trusted partners to ensure you are providing the best curriculum for your school. On signing up for

DEVELOP LIFE SKILLS

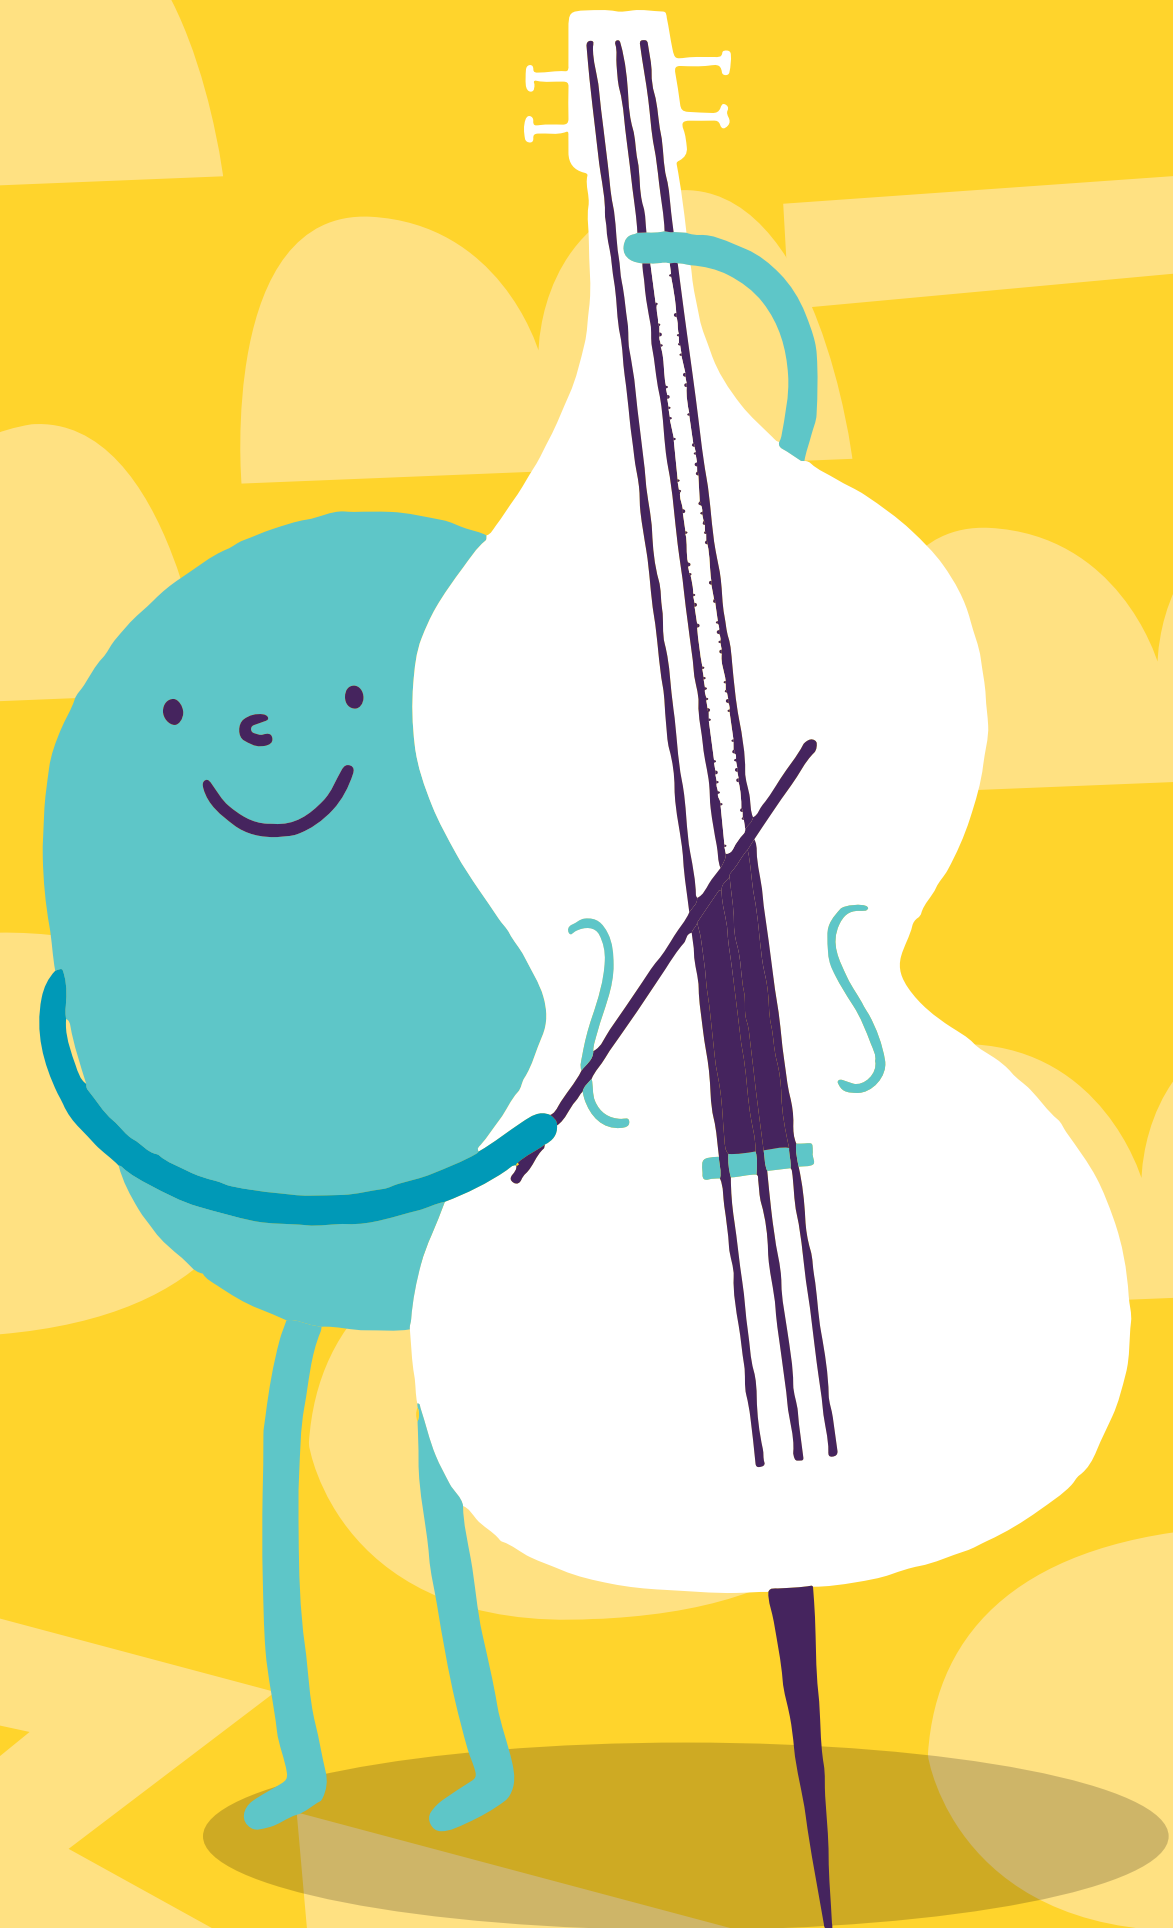

a Bristol Beacon Schools Membership, you will receive a free set of our Musical Moments Cards and Rhythm Cards which will also support music throughout out your school.

Creative Partnerships

In addition to our curriculum, we support creative partnerships with schools that enable them to enhance their curriculum offer. With access to projects such as Minute of Listening, where children can listen to sound collections specially curated for Bristol schools, the membership enables you to access unique partnerships and projects with high quality music education organisations.

Singing Schools Programme

Singing in Bristol schools is vital not only for cohesion but also for the wellbeing of every pupil in your school. Bristol Beacon offers advice, training and support to help you develop and maintain a robust and positive singing ethos in your school with events and performances to celebrate together.

BECOME A BRISTOL BEACON MUSICAL SCHOOL

The Programme

Whole Class Ensemble Tuition (WCET)

Whole Class Ensemble Tuition is available to all schools in the city and is subsidised for one KS2 year group. Not only is this a fun way for children to learn about playing an instrument, but it also supports your school to meet the requirements of the National Music Curriculum. Schools have a wide choice of instruments including steel pans, ukulele, samba, djembe drumming, stomp, wind band, woodwind, violin, brass, rock band, guitar and recorder. In addition to the subsidised sessions, schools can also book for any other KS2 year group, where each class receives 10 x 1-hour sessions over two terms, with the option to extend this across the whole academic year.

Instrumental Music Lessons

We provide highly skilled specialist instrumental Music Tutors who are reflective practitioners, receive ongoing CPD, peer support and mentoring and fully DBS checked. This enables your pupils to access high quality music lessons, that are fully supported by the Bristol Beacon education team. We provide discounts on lessons

**PLAY IN A
ROCK BAND**

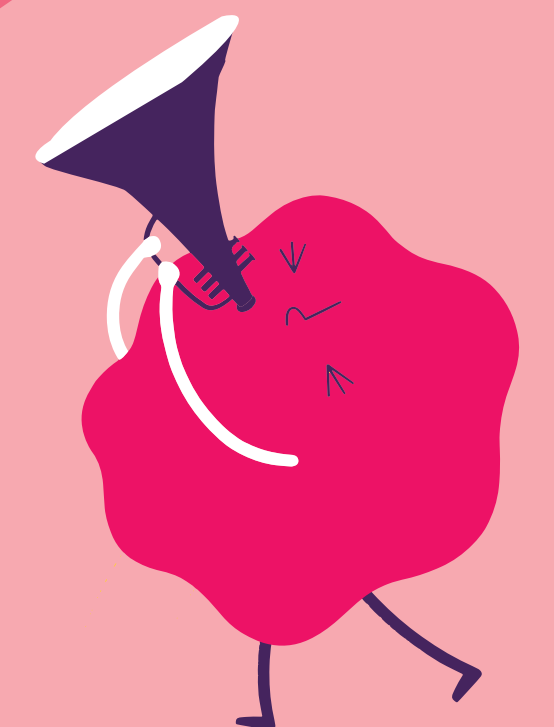

for pupils in receipt of Pupil Premium, free lessons for Children in Care and with an Educational Health Care Plan and an Instrument Hire Scheme, so all children in your school that want access to a music lesson should be able to do so.

Managing Music Lessons in your School

We can manage music lessons in your school through a parent pay and lesson management system, SpeedAdmin. This removes the financial and administrative burdens of managing instrument lessons in your school and means that we can timetable lessons and deal directly with parents for payments and enquiries. No more chasing parents!

The Programme

Online Lessons and Digital Resources

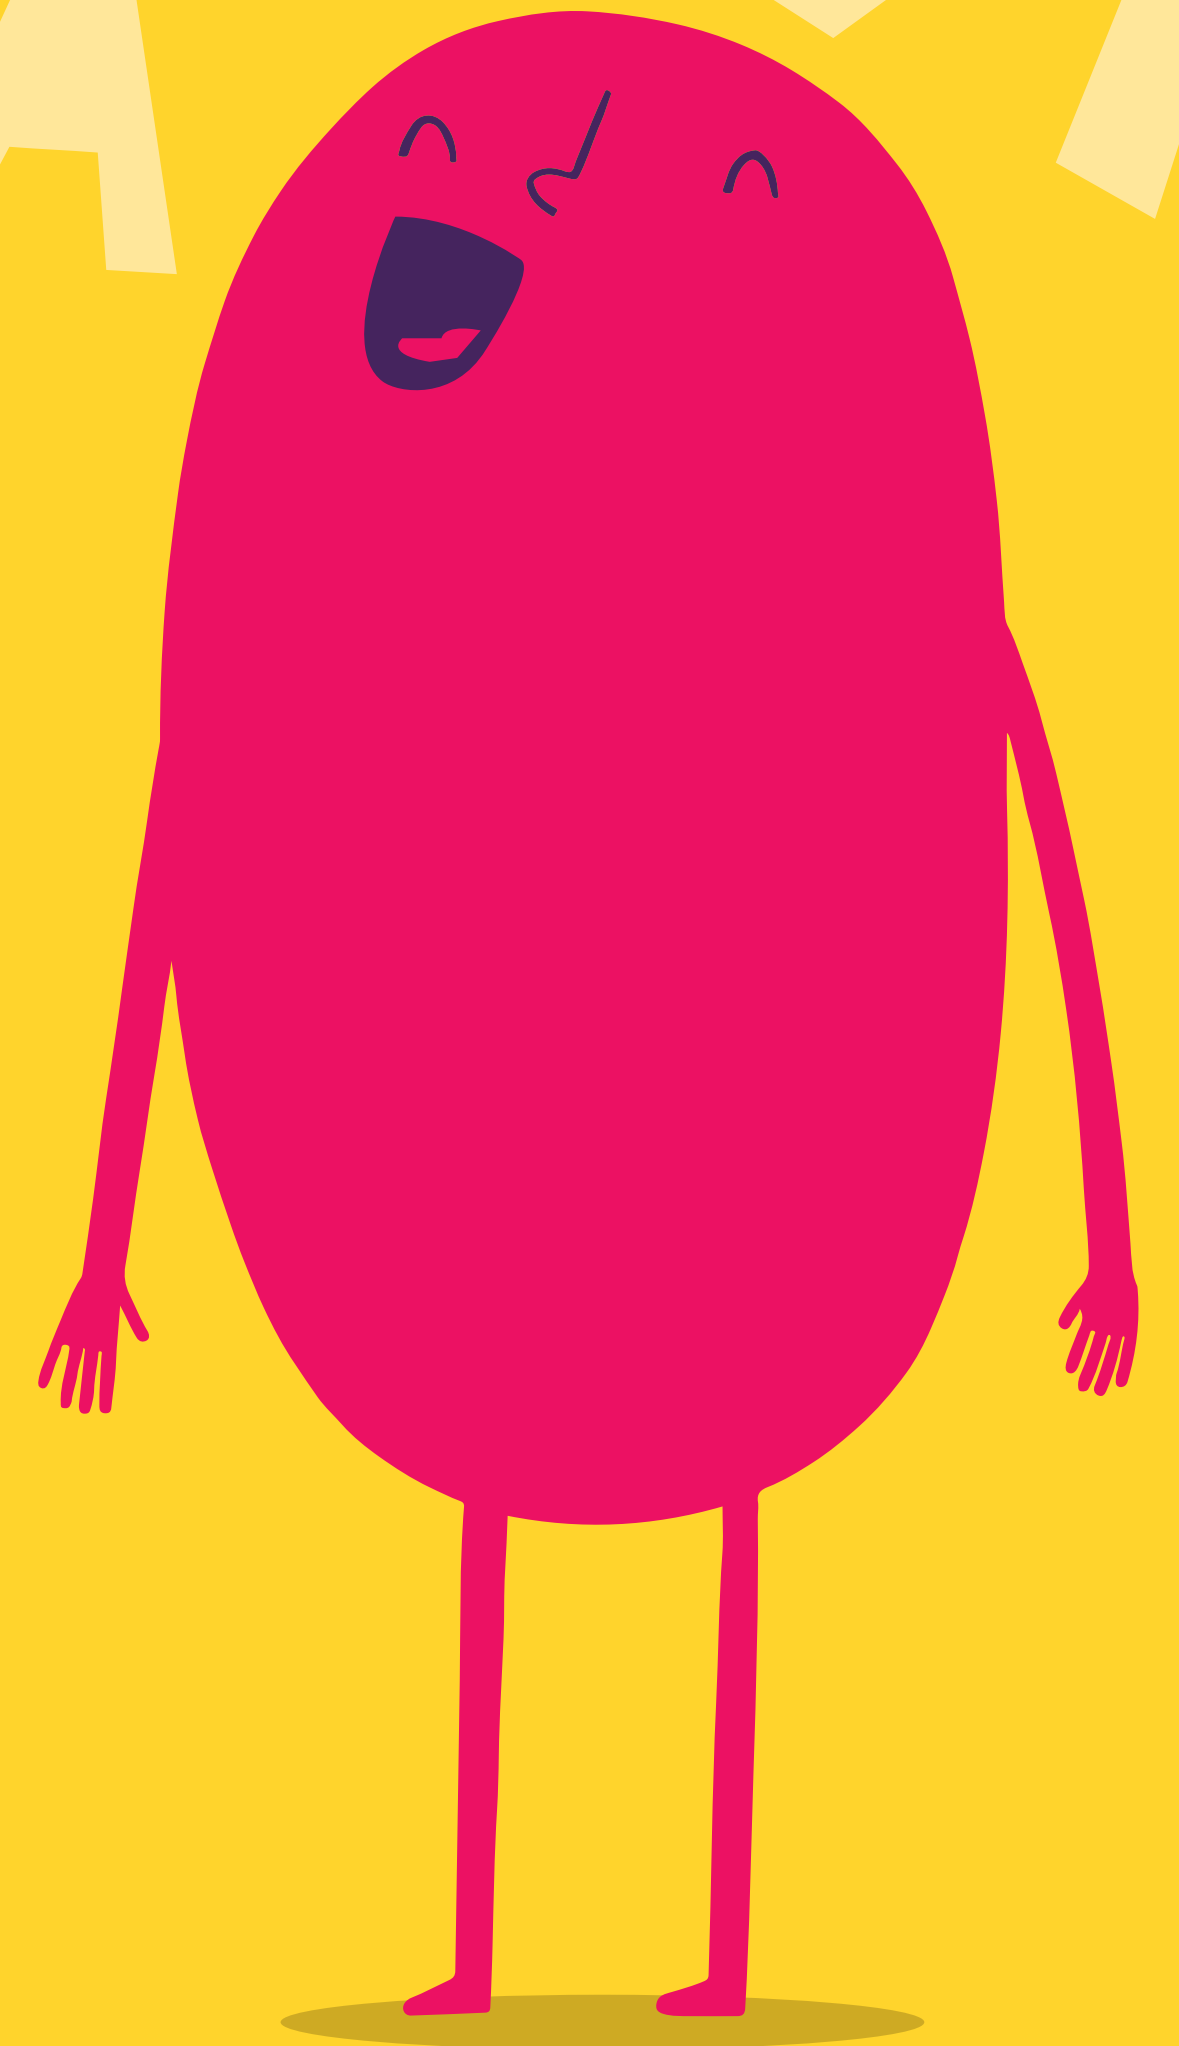

We will continue to offer online instrumental lessons and activities where required. We have produced a range of digital resources, including short singing-based activity videos for KS1, WCET music sessions, and an introduction to learning musical instrumentals.

Continued Professional Development (CPD) for non-specialist and specialist teachers

Bristol Beacon run an extensive programme of training throughout the school year. Developing expertise in your team is vital to supporting an ongoing musical culture and we offer a year-round training programme, led by our primary specialist team, to support and further develop teacher confidence to lead music in your schools.

Examples of this training include collaborating with national partners such as the Royal Opera House and Sound and Music to roll out national initiatives, as well as exploring key stage specific curriculum progression and support with Ofsted Music 'Deep Dive'.

FLEXIBLE LEARNING

BECOME A BRISTOL BEACON MUSICAL SCHOOL

The Programme

Schools Performance Platform

The Bristol Beacon Schools Performance Platform provides opportunities for students to perform outside of school settings and raise the profile of music making in your school communities.

Special Schools

We have an exceptional team of teachers with specialist knowledge of SEND settings and our programme provides Open Orchestras and bespoke creative music making opportunities. Get in touch with our team to make the most of your free membership.

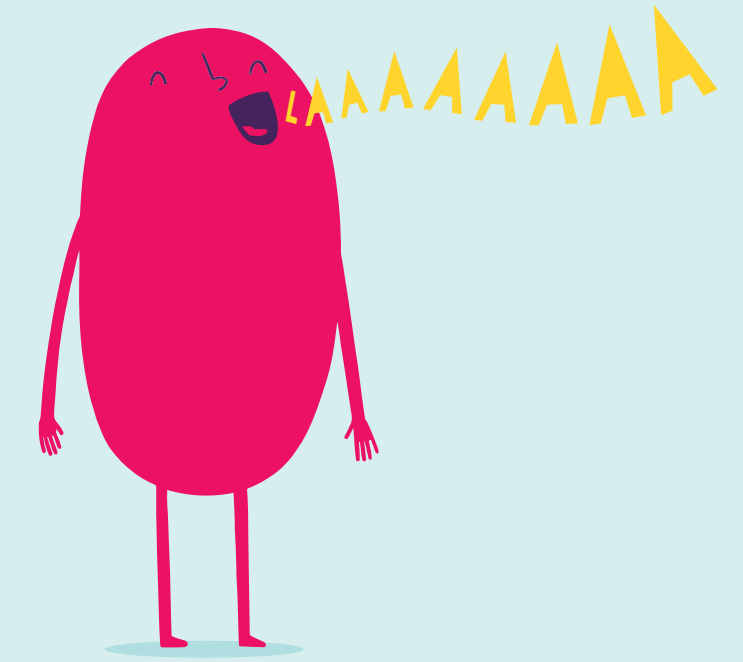

Infant Schools

We have a reduced membership fee of £150 for Infant Schools, which includes all the CPD sessions, Bristol Music Curriculum and Creative Partnerships, Singing Schools Programme and participation in performance events. Talk to our team about whole class EYFS and KS1 music activities.
