OF CREATIVE LEARNERS

# BRISTOL BEACON MUSICAL SCHOOLS

Whether you are already a musical school or just starting out on the journey, the Bristol Beacon Musical Schools membership aims to support all schools in the city to achieve musical excellence.

Our award-winning programme supports schools through a range of high-quality curriculum resources, enrichment activities and teacher training opportunities. We work closely with Department for Education, Ofsted, Arts Council England and industry organisations across the music education sector to make sure we are at the cutting edge of best practice in musical teaching and learning. Our experienced and knowledgeable team are here to support music in your school.

# PROGRAMME

## INSTRUMENTAL MUSIC LESSONS

We provide highly skilled specialist instrumental Music Tutors who are reflective practitioners, receive ongoing CPD, peer support and mentoring and fully DBS checked. This enables your pupils to access high quality music lessons, that are fully supported by the Bristol Beacon education team. We provide free lessons for Children in Care and students with an Educational Health Care Plan EHCP or with a physical disability. We also provide free instrument hire for pupils in receipt of Pupil Premium, so all students in your school that want access to a music lesson should be able to do so.

## MANAGING MUSIC LESSONS IN YOUR SCHOOL

We can manage music lessons through a parent pay and lesson management system, SpeedAdmin. This removes the financial and administrative burdens of managing instrument lessons in your school and means that we can timetable lessons and deal directly with parents for payments and enquiries. No more chasing parents!

## PLANNING FOR MUSIC AND TEACHER TRAINING

No school improvement plan is complete without a 'School Music Education Plan' (SMEP). Developed with Ofsted and the Department for Education, every school should have an up-to-date plan and we can write this plan with you. Developing expertise in your team is vital to supporting an ongoing musical culture. Bristol Beacon collaborate with local and national partners to lead training to help develop and diversify your curriculum.

## MUSIC ADVANCEMENT SUBSIDY

Schools that join the membership are eligible to apply for a Music Advancement Subsidy of up to £900. This investment can be used to support the advancement of music in your school, for example, funding ensembles or music clubs, instruments, or music lessons.

# PROGRAMME

## FOCUS ON SOUND PRO SOFTWARE FOR KS3, GCSE AND A LEVEL

Your membership includes the full Focus on Sound PRO software with unlimited licences for up to 1250 students and 7 teachers worth £599. The software has 300 structured lessons containing learning activities and listening tests. These are perfect for whole class teaching or individual student work. There are resources for all the UK exam boards, including lessons on most of the set works. (Schools that already have the software will be upgraded and BPM will pay for renewal).

## BRISTOL MUSIC CURRICULUM

Bring music to life in your school through our award-winning Bristol Music Curriculum. We continue to develop high quality resources with partners such as Chineke!, Berlioz150 and Aardman Animations (the creators of Wallace and Gromit) to develop resources to challenge and inspire your learners.

## SPECIAL PROJECTS

Each year Bristol Beacon, through Bristol Plays Music, organises a number of special projects in schools across Bristol with highly regarded local and national partner organisations such as Tomorrow's Warriors, Bournemouth Symphony Orchestra, Chineke! and many others.

## ACCESS TO PERFORMANCE

The Bristol Beacon Schools Performance Platform provides opportunities for students to perform outside of school settings and raise the profile of music making in your school communities.
