BECOME A BRISTOL BEACON MUSICAL SCHOOL

What is the Bristol Beacon Musical Schools membership?

Whether you are already a musical school or just starting out on the journey, the Bristol Beacon Musical Schools membership aims to support all schools in the city to achieve musical excellence.

Our award-winning programme supports schools through a range of high-quality curriculum resources, once in a lifetime performance opportunities and access to world-class stages and artists at Bristol Beacon. We work closely with the Department for Education, Ofsted, Arts Council England and industry organisations across the music education sector to make sure we are at the cutting-edge of inclusive

practice in musical teaching and learning. Our experienced and knowledgeable team are here to support music in your school.

New for 2023/24

Our programme is constantly developing in response to the needs of Bristol schools. This year the programme allows our member schools increased access to our transformed performance spaces, opening in November 2023. Access to livestreamed workshops

Access livestreamed workshops lead by our tutors. We can run workshops on vocal coaching, DJ skills, Music Theory support and instrument specific workshops.

Support and guidance meetings

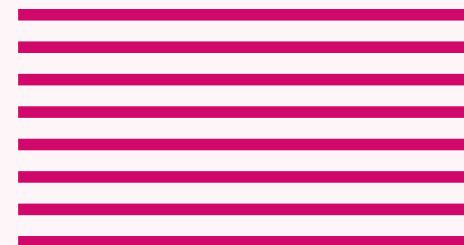

We know that teaching music or running a department can feel overwhelming. We also understand that the needs of each school, department head, and staff member are different. This is why we are available for support and guidance meetings. In these meetings, you set the priorities and we will take you through how the hub can offer support. We can also be a professional but friendly ear when you need to talk through any aspects of your music provision. We have a range of staff with a wide range of experiences and knowledge to take you through the issues affecting your department.

Secondary Heads Network meetings

Your membership gives you access to our Secondary Heads Network. The network meets quarterly and gives you an opportunity to share learning and resources with other music leads working in secondary settings.

WHAT'S INCLUDED

Instrumental Music Lessons (without timetabling)

We provide highly skilled specialist instrumental Music Tutors who are reflective practitioners and receive ongoing peer support and mentoring. In addition, all tutors are fully DBS checked and have had OCR checks where relevant. This enables your pupils to access high-quality music lessons, that are fully supported by the Bristol Beacon education team. Please see our remissions policy for details about the discounts and bursaries that we provide for the students in your school.

Instrumental Music Lessons (with timetabling)

We can timetable the music lessons in your school through the parent pay and lesson management system, SpeedAdmin. This removes the financial and administrative burdens of managing instrument lessons in your school and means that we can timetable lessons and deal directly with parents for payments and enquiries. No more chasing parents! We charge a small timetabling fee directly to your school and then handle the rest. Please note, timetabling is done in blocks of 30 students per school, please see our terms and conditions for details around the space and time requirements we have for your school before timetabling is done.

Discounted music technology bundles

As a Musical Schools member, you are able to access discounted music technology bundles, including Focus on Sound PRO (unlimited seats), Soundtrap for Education (70 seats) and Noteflight Learn (70 seats). Contact a member of the Bristol Beacon Music Education team for a full list of technology bundles available.
