Entrance to the Walled Garden

From the Walled Garden Entrance to Performance Area

The performance area is 25m from the Walled Garden Entrance on a path with deep gravel.

Performance Area

The Walled Garden where the performance takes place is a tiered, grass amphitheatre. You can sit or stand to watch the performance.

Stage

The stage will be situated in the centre of the garden on the gravel in front of the raised garden beds.

Shelter

Although sheltered within a Walled Garden, there is no shade or cover from rain. Please bring suitable clothing in the event of strong sun, light wind or rain.

Seating

There is no seating provided. Portable chairs are not permitted in the tiered amphitheatre. The tiers of the amphitheatre create natural seating on grass. We recommend bringing a waterproof blanket to sit on.

Accessible Viewing Area

The accessible viewing area is on gravel located close to the performers, at the front of the tiered amphitheatre.

If you have access requirements, please join our access register in advance, so we can support you during your visit.

Although portable chairs are not permitted in the tiered amphitheatre, access customers who require seating or personal assistants accompanying wheelchair users, are permitted to bring their own portable chairs if required.

Toilets and Accessible Toilets

All toilets, including accessible toilets, are located inside the Carriage House.

The Carriage house is 50m from the performance area via a hard standing path with some loose stones.

Track to The Carriage House and toilets

Entrance to The Carriage House

A ramp will be in place to facilitate access into the Carriage House building.

Our Front of House stewards will be available to support any customers who require assistance.

Parking

Accessible parking is available and should be booked in advance via our website.
