Become a Bristol Beacon Musical School

What is the Bristol Beacon Musical Schools membership?

Whether you are already a musical school or just starting out on the journey, the Bristol Beacon Musical Schools membership aims to support all schools in the city to fully integrate music education into their curriculum. Our award-winning programme supports schools through a range of high-quality curriculum resources, enrichment activities and teacher training opportunities. We work closely with the Department for Education, Ofsted, Arts Council England and industry organisations across the music education sector to make sure we are at the cutting-edge of inclusive practice in musical teaching and learning.

A programme specifically for Special Schools

Our SEN Provisions membership programme has been specifically designed to support schools to create a thriving musical community. This versatile membership scheme has been designed for use in all settings, from through schools to small units within mainstream settings. (If you are looking to purchase this membership scheme alongside another membership type, please see our bursaries, discounts and fees policy.)

We believe that music can support everyone to thrive musically, socially and personally. Our experienced and knowledgeable team is here to support you to create and maintain a thriving inclusive musical community that fosters a lifelong love of music. Being a Bristol Beacon Musical School means you will have access to the resources and tools needed to build cultural capital and bring music to life in your school in line with the National Curriculum..

Adam Kent Director of Creative Learning and Engagement

*We would recommend offering parents the following options: Individual lessons for 20 minutes/30 minutes, and small group lessons (2-4 students) for 30 minutes. 3 lessons are delivered across an academic year.

What's included

Continued Professional Development (CPD) for non-specialist and specialist teachers

Bristol Beacon runs an extensive programme of training throughout the school year. Developing expertise in your team is vital to supporting an ongoing musical culture and we offer a year-round training programme. This is led by our primary specialist team to support and further develop teacher confidence to lead music in your schools. Examples of this training include CPD for our Bristol Music Curriculum as well as collaborating with national partners such as the Royal Opera House, ABRSM and Sound and Music to roll out national initiatives, as well as exploring key stage specific curriculum progression and support with Ofsted Deep Dives.

Singing Schools Programme

Singing in Bristol schools is vital not only for cohesion but also for the personal and social development and wellbeing of every pupil in your school. Bristol Beacon offers advice, training, assemblies and support to help you develop and maintain a robust and positive singing ethos in your school. Join with other schools to take part in mass participatory singing celebrations in our world-class performance space.

SEN Music Workshop

This workshop is led by our team of SEN-specialist music tutors and gives your students the opportunity to explore music-making outside of school with peers from other local schools.

**TRAIN WITH
SEN SPECIALISTS**

What's included

Open Orchestras

As part of your membership you can receive an annual licence which enables your school to join Open Orchestras, the largest community of inclusive orchestras in special schools in the UK. Together, we'll build your school orchestra, creating the opportunity for students to make music independently, expressively and be 'part of the band'. One of our Music Leaders will work alongside your staff, with Open Orchestras bringing award-winning training and musical resources including the Clarion – an accessible instrument that can be played with any part of the body including eye movement. The social benefits of learning an instrument, playing together, making music creatively become available to all students including those with profound and multiple learning disabilities (PMLD).

Whole Class Ensemble Tuition (WCET)

Whole Class Ensemble Tuition is available to all schools in the city and is subsidised for one KS2 year group. You can access this free 10-week programme without being members.

Not only is this a fun way for children to learn about playing an instrument, but it also supports your school to meet the requirements of the National Music Curriculum. Schools have a wide choice of instruments including steel pans, ukulele,

samba, djembe drumming, wind band, woodwind, DooDs and TooTs, violin, brass, rock band and recorder. Membership schools can access a subsidised rate for WCET continuation to keep the music going following your first term. Please get in touch with our team if you'd like to talk about adapting any of our WCET programmes to your settings.

What's included

Bristol Music Curriculum

Bring music to life in your school through our award-winning Bristol Music Curriculum. These plans are developed by outstanding music teachers across Bristol, for Bristol schools. Included in our newly updated curriculum are fully planned lessons, resources and pointers to trusted partners to ensure you are providing the best curriculum for your school.

On signing up for a Bristol Beacon Schools Membership, you will receive a free set of our Musical Moments Cards and Rhythm Notation Cards which will also support music throughout your school. You will also receive digital resources which can be used in conjunction with the cards and access to staff training to support their use. Our work on the Bristol Music Curriculum is constantly evolving to suit the needs of Bristol Schools. Our education team are available to support and suggest adaptations to the curriculum so that it can be used most effectively in your setting.

Instrument Demo workshops

Our instrument demonstrations and livestreamed workshops in the summer term allow your students the opportunity to experience a diverse range of instruments, from violins to the Clarion! We run relaxed instrument demos at Bristol Beacon and demos that are livestreamed. This is a great way to introduce your students to lots of different instruments and can help to kick-start lesson uptake in your school.

SEN Music Leads Network

Your membership gives you access to our new SEN Music Leads network. The network meets quarterly and gives you an opportunity to share learning and resources with other music leads working in SEN settings.

Beacon Music Centre Sheet Music Library

You will also automatically become a member of our extensive sheet music library at Beacon Music Centre. We have a large collection of classical music and singing scores (including musical theatre) which can be accessed through our Exams and Library Coordinator.

What's included

Instrumental Music Lessons (without timetabling)

We provide highly skilled specialist instrumental Music Tutors who are reflective practitioners and receive ongoing peer support and mentoring. All tutors are fully DBS checked and have had OCR checks where relevant. This enables your pupils to access high-quality music lessons that are fully supported by the Bristol Beacon education team. Please see our remissions policy for details about the discounts and bursaries that we provide for the students in your school.

Timetabling and administration of Instrumental Music Lessons

We can timetable the music lessons in your school for you through the parent pay and lesson management system, SpeedAdmin. This removes the financial and administrative burdens of managing instrument lessons in your school and means that we can timetable lessons and deal directly with parents for payments and enquiries. No more chasing parents! We charge a small timetabling fee directly to your school and then handle the rest. Please note, timetabling is done in blocks of 20 students per school. Please see our terms and conditions for details (including space and time requirements for your school).
