

# WEDDINGS AT BRISTOL BEACON

Make your big day unforgettable by tying the knot at Bristol's most iconic music venue. At Bristol Beacon, we don't churn out weddings – we create unique, spirited celebrations in a setting where music history has echoed through the walls for 150 years.

Bursting with character, our historic venue has been showcasing live music since 1867. Now, we offer world-class heritage event spaces with a modern twist, perfect for music lovers looking for an unconventional, vibrant wedding location. Whether you're drawn to the grandeur of our beautifully restored halls or the edgy charm of our more intimate spaces, Bristol Beacon is all about creating a day that's as unique as your love story. Plus you'll be choosing a sustainable venue – we are working toward becoming the UK's first net-zero concert hall by 2030.

Accessibility is at the heart of our offering. Recognised as one of the most accessible venues in the country, we welcome all guests to share in your joy comfortably and easily.

By choosing Bristol Beacon, you're not just celebrating your love – you're also supporting a music charity in Bristol. So, while you're saying "I do", you're helping to keep Bristol's music scene alive and thriving.

Celebrate your love in a venue that bursts with music, history, and soul.

**Love music, love each other – Bristol Beacon is ready to make your wedding as legendary as the music that's graced our stages. Let us help you get married like a rockstar!**
