Partnerships

Creating partnerships with organisations across the UK is an integral part of Bristol Beacon's work. In academic year 25/26, we worked with the BSO, LSO, and many others! These organisations create amazing opportunities for your young people, whether it is a workshop at Bristol Beacon or a small and intimate gig with an orchestra! The possibilities are endless! Some partners we are planning to work with this year are London Symphony Orchestra, Bournemouth Symphony Orchestra, Welsh National Orchestra, the BBC and a host of artists that will visit Bristol Beacon.

Free tickets to amazing concerts in Beacon Hall

We are also collaborating with these organisations to also offer workshops/ rehearsals and free tickets for selected concerts throughout the year which will only be eligible for membership schools. For example, last year, events included pupils from membership schools receiving a free workshop with Rachel Leach and LSO players and attending a free concert and free workshops and events with BSO and Jon James as well as free tickets to many of the main Beacon Hall concerts both within and beyond the classical programme.

Support and guidance meetings

We know that teaching music or running a department can feel overwhelming. We also understand that the needs of each school, department head, and staff member are different. This is why we are available for support and guidance meetings. In these meetings, you set the priorities, and we will take you through how the hub can offer support. We can also be a professional but friendly ear when you need to talk through any aspects of your music provision. We have a range of staff with a wide range of experiences and knowledge to take you through the issues affecting your department.

Secondary Heads Network meetings

Our Secondary Heads Network is open to all secondary schools in Bristol, you do not need to be a member to attend. The network meets quarterly and gives you an opportunity to share learning and resources with other music leads working in secondary settings

Instrumental Music Lessons (without timetabling)

We provide highly skilled specialist instrumental Music Tutors who are reflective practitioners and receive ongoing peer support and mentoring. This enables your pupils to access high-quality music lessons, that are fully supported by the Bristol Beacon education team.

Instrumental Music Lessons (with timetabling)

We can timetable the music lessons in your school through the parent pay and lesson management system, SpeedAdmin. This removes the financial and administrative burdens of managing instrument lessons in your school and means that we can timetable lessons and deal directly with parents for payments and enquiries. No more chasing parents! We charge a small timetabling fee directly to your school and then handle the rest. Please note, timetabling is done in blocks of 20 students per school, please see our terms and conditions for
